Shantanu's passion for entrepreneurship has allowed him to open his new venture in the form of Schoolguru in year 2012. It is an academic support services organization providing technology based academic services to Indian universities. Roj is a CBSE All India Topper and a Gold Medalist in Engineering from IIT (BHU) Varanasi and has successfully completed his Masters in Business Administration from Jamnalal Bajaj Institute of Management Studies, Mumbai. He has an experience of more than 17 years in the field of Information Technology Architecting and Consulting. Entrepreneur India interacted with him to develop a better understanding of distance learning, its current scenario in India and how schoolguru is helping in bridging the existing market gap.
