

## **Schoolguru Eduserve Signs up with Lalit Narayan Mithila University**

Lalit Narayan Mithila University aspires to be an energetic and responsive University offering educational opportunities for learner community especially to the lower socio-economic strata of the society seeking quality undergraduate, post graduate, research and continuing personal or professional enrichment in higher education.

As an extension to its existing vision of encouraging global higher education policies and practices, the University will now launch ICT Enabled Programs in collaboration with Schoolguru.

Schoolguru shall be their exclusive OPM service provider and shall service ALL the 65000 students with Online Learning services. The Directorate of Distance Education in Lalit Narayan Mithila University offers about 21 programmes/courses through the distance mode. Since inception, it has been taking various initiatives to spread among masses the mode and facilities of distance education so as to reach the unreached, unprivileged and the marginalized section of people in remote pockets of areas under the University jurisdiction.

Schoolguru will launch several Diploma, PG Diploma and Certificate programs on the University Platform. The Company has also gain the right to admit new students for the University.

Additionally, the Company shall provide the unique Employment Program (ELSP) to all the 65000 distance education students of the University, thus making them employable and giving them a large edge over other candidates. The students shall be offered our NETAP services under the National Employability Enhancement Mission of the Ministry of HRD (AICTE).
